DIRECTIONS

GENERAL PURPOSE ROOM (a.k.a. GP Room) The door to the GP Room is located directly off of the seating area in our front lobby.

GYMNASIUM From the lobby, walk past the reception desk and turn left. Walk past the snack machines and through the double glass doors. At the end of the hallway, turn right, and then make an immediate left. Walk through the wooden double doors and go straight, into the gymnasium.

DANCE CENTER From the lobby, follow the directions for the gymnasium. The stairwell down to the dance center is off of the gym. When you get to the entrance of the gym, turn and look to the corner on your right. There are two wooden doors directly in the corner. Go to the doorway on the left and go down the stairs. At the bottom of the stairs turn to your right and go down the short set of stairs immediately to your right. The entrance to the dance center is at the bottom of the stairs on your left.

FREE WEIGHT ROOMS From the lobby pass the reception desk and take a right (the cardio room will be on your left). Go through the red and white metal door; turn left and go down the stairs. Pass the door to the Cole Pool and continue down the stairs. Both free weight rooms are off of the hallway at the bottom of the stairs.

NAUTILUS From the lobby, follow the directions for the free weight rooms. At the bottom of the stairwell, take a right into the hallway. Pass the free weight rooms and go up the small set of stairs. Pass the water bubbler on your right. Turn the corner to the left and follow the hallway up another short set of stairs. This will bring you to the foyer of Nautilus. The glass door in the corner on your left is the entrance to the Nautilus Facility.

FRONT PARLOR From the lobby, exit the YMCA building into the courtyard. Take the stairs on your right, up into “the mansion” portion of the building. When you enter the mansion, the entrance to the front parlor will be the first door on your left.

THE POOLS From the lobby, walk past the reception desk and turn right (the cardio room will be on your left). Walk through the red and white metal door and turn left. Go down the stairs. The door to the Cole Pool will be at the bottom of the stairs. Once inside the room, you can access the small pool through the double glass doors that connect the two pools. From the Men & Women’s A/C locker rooms and Men’s deluxe locker room, there are exits that lead to the small pool off of the shower area.
