

ABC SHOW & TELL

Helping children learn to recognize letters, numbers and words is very rewarding for children, parents and teachers. A fun way we hope to encourage more letter recognition is through an ABC Show and Tell that we will begin the week of September 14. Each child will be given the opportunity to take home our ABC bag and bring it in on a specified day with either an article or a picture of the article beginning with the letter of the alphabet assigned on that day. The article should fit in the bag. We know it may be awhile before each child has a turn as it will take time to go through the 26 letters in each class but every child will have at least 2 turns before the year is over.
